Bailey High School

Dedication

Mrs. L. B. London

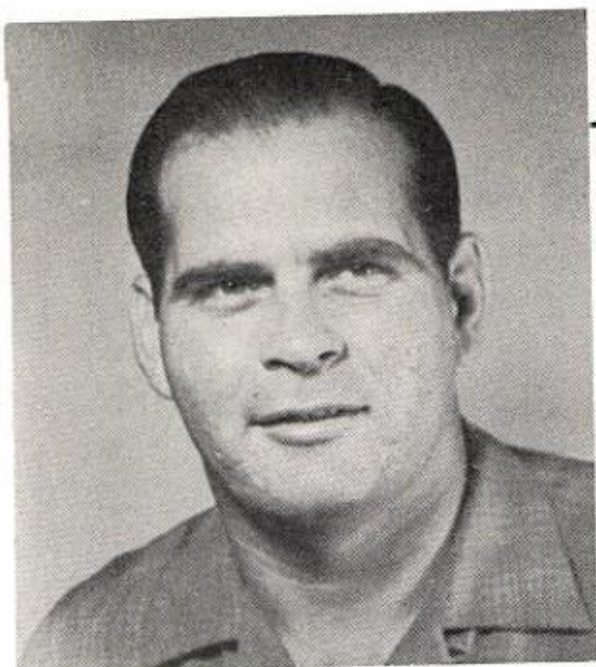

Mr. L. B. London

On behalf of the entire student body of Bailey High School, the '57 Bulldog Staff wishes to dedicate the '57 Bulldog to two of our most beloved teachers, Mr. and Mrs. L. B. London.

Almost every student now enrolled in our school has, at sometime, suffered with "Mr. Bud" through algebra or geometry, while others of us have sung or paraded across the stage to the nod of "Mrs. Eva's" head and the rhythm of her magic fingers at the piano.

To you both, we all say, "Thanks for Everything."

The Annual Staff
and
The Student Body of
Bailey High School

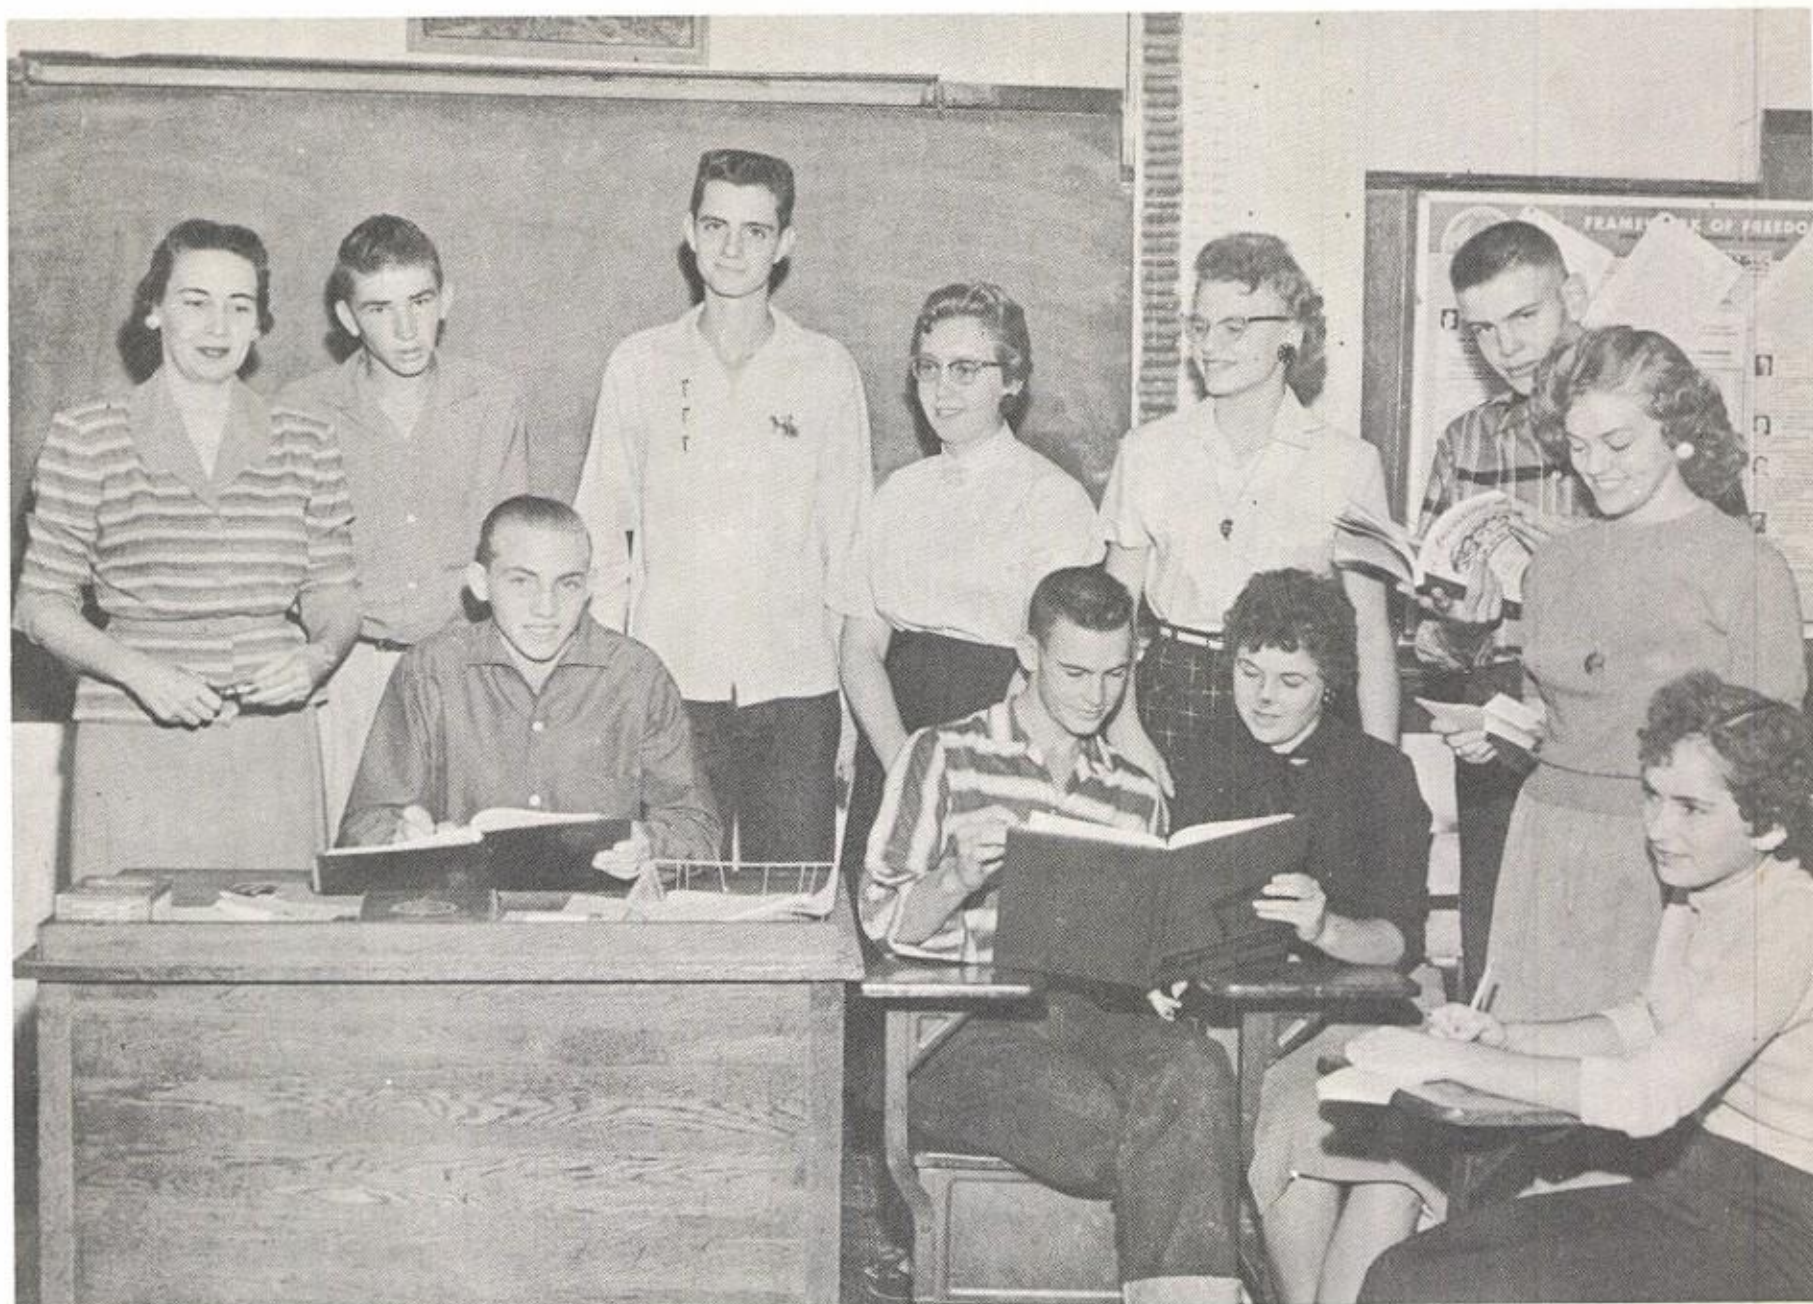

The members of the Bulldog Staff, their classmates, and their sponsor are to be commended for their untiring efforts in making this yearbook possible.

Many of the treasures of this book will not be discovered until years later. The publication of a record of your school life is true evidence of the value you place on your school days in the Bailey Schools.

May each task that confronts the student body be attacked with the same zeal and determination as the production of this annual has been.

Sincerely,

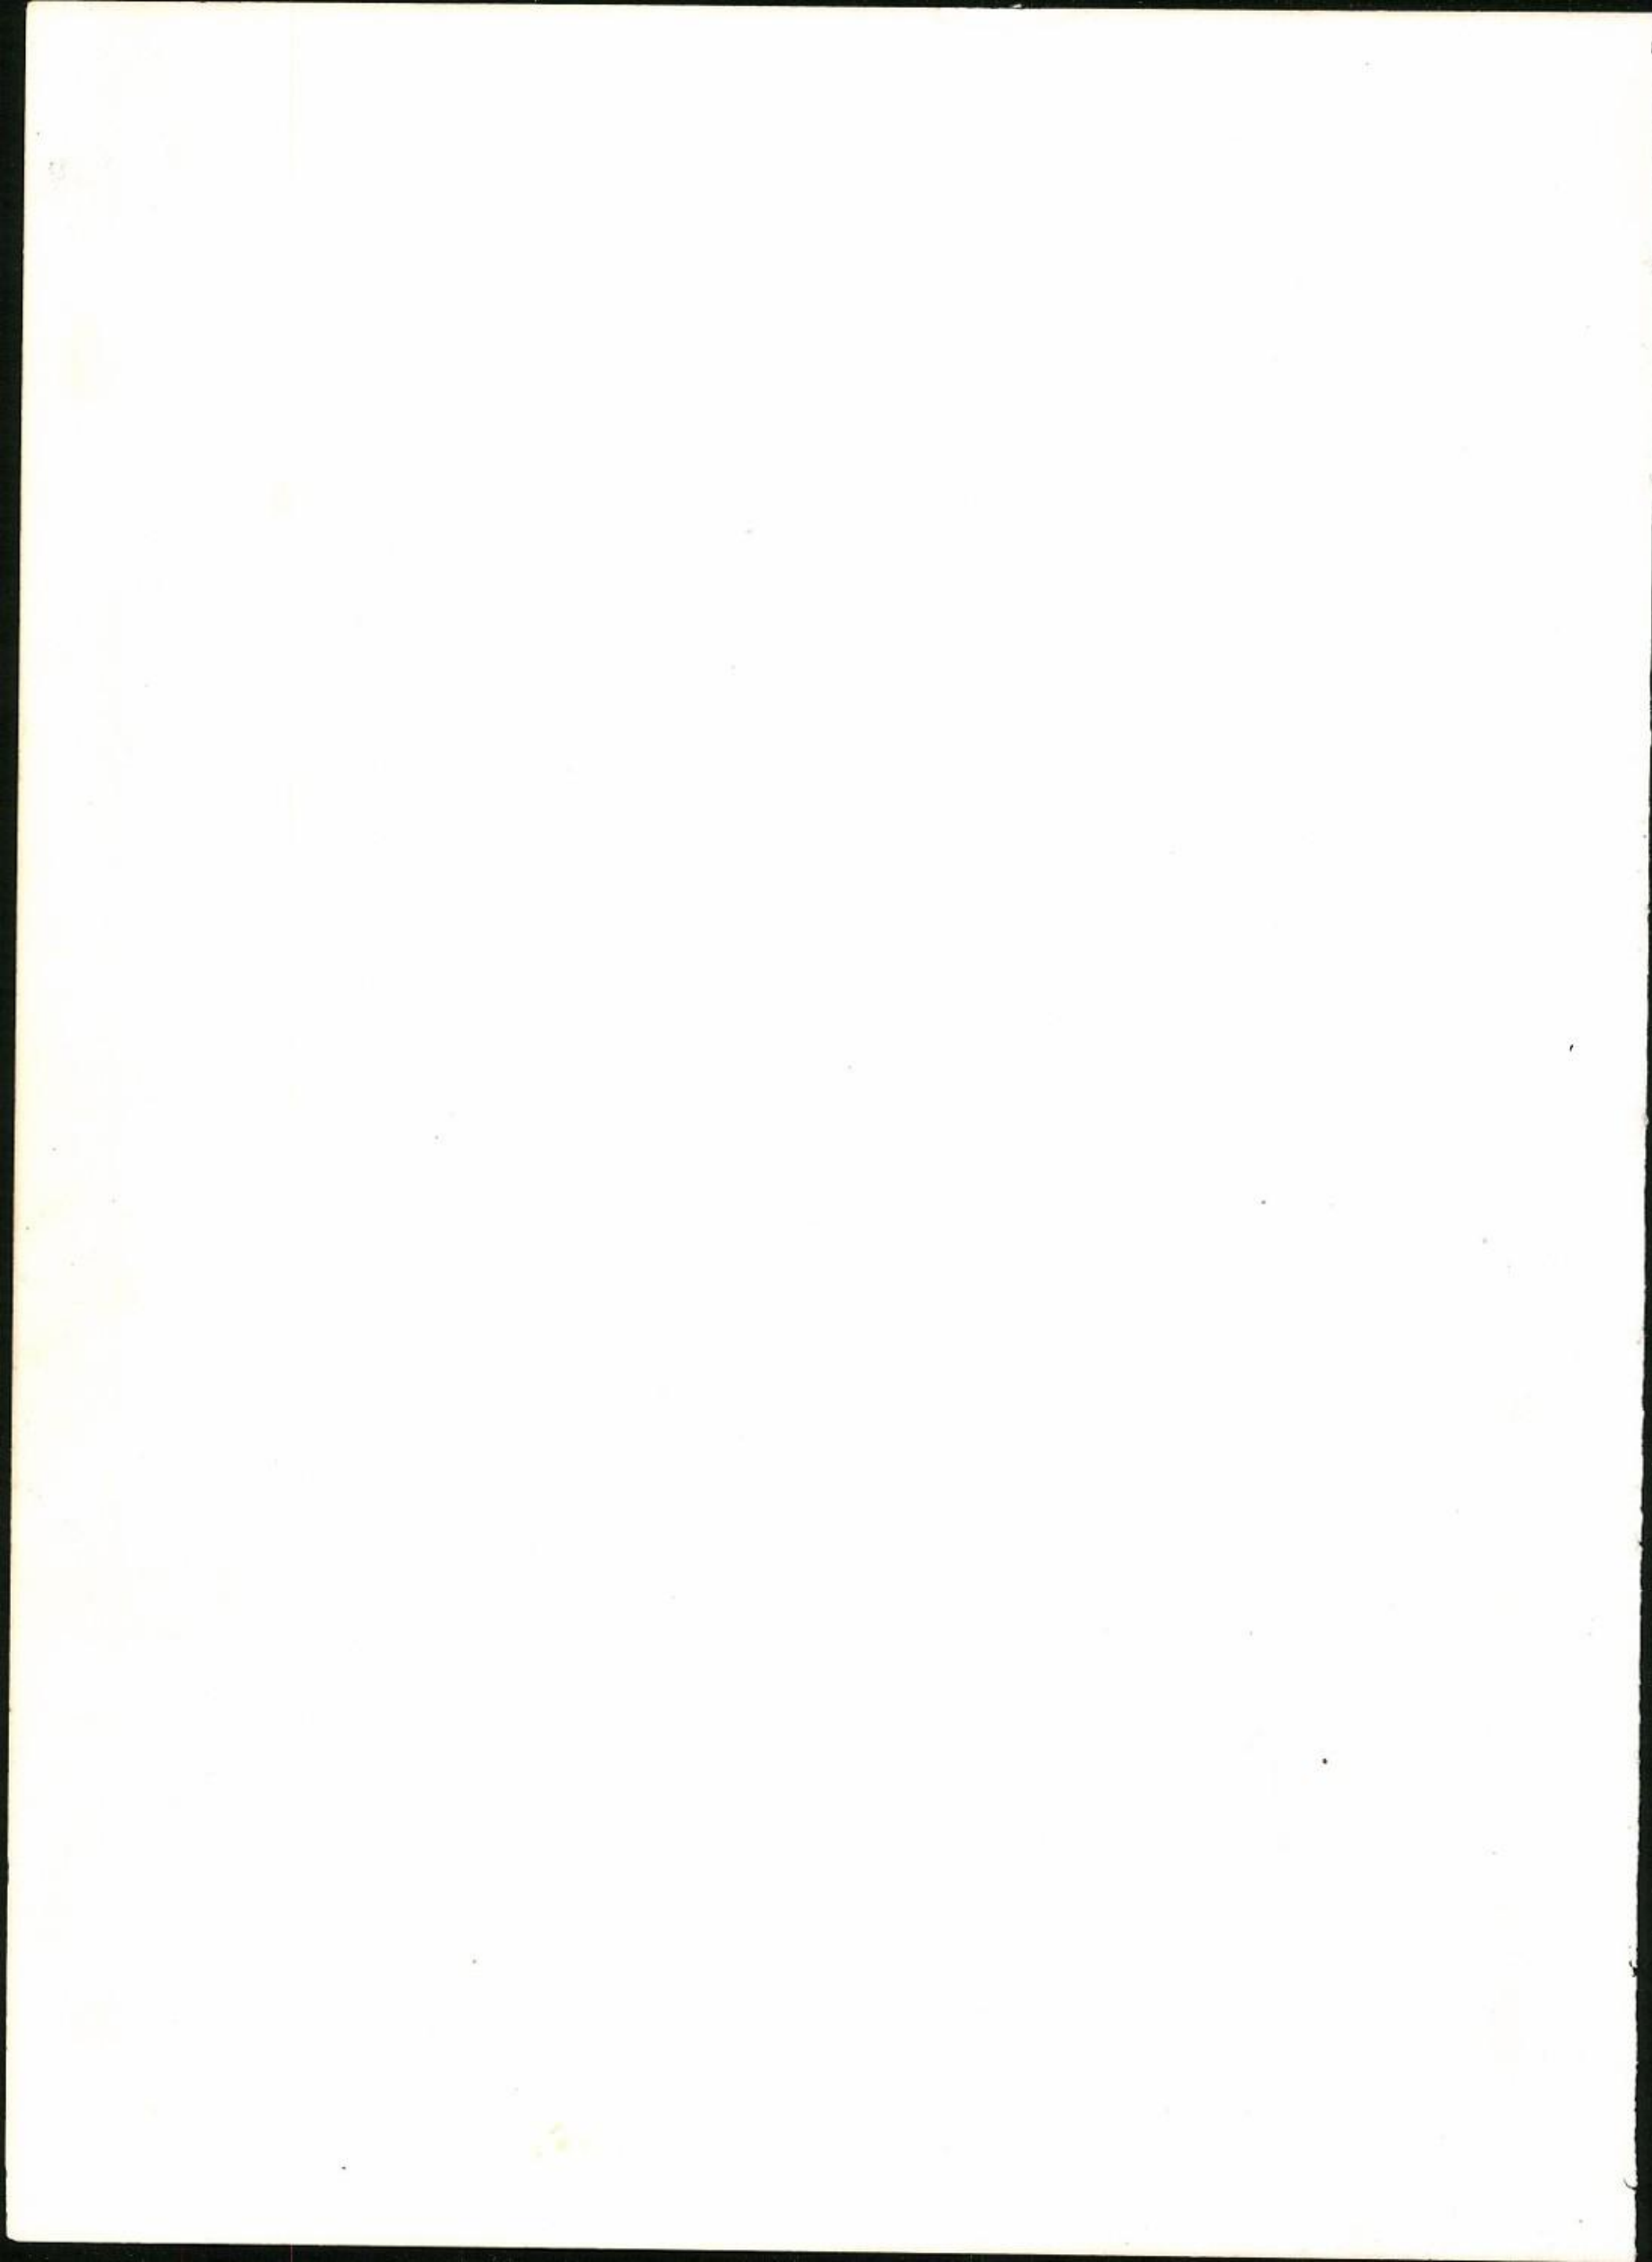

Roy Lee Winkels, Jr.

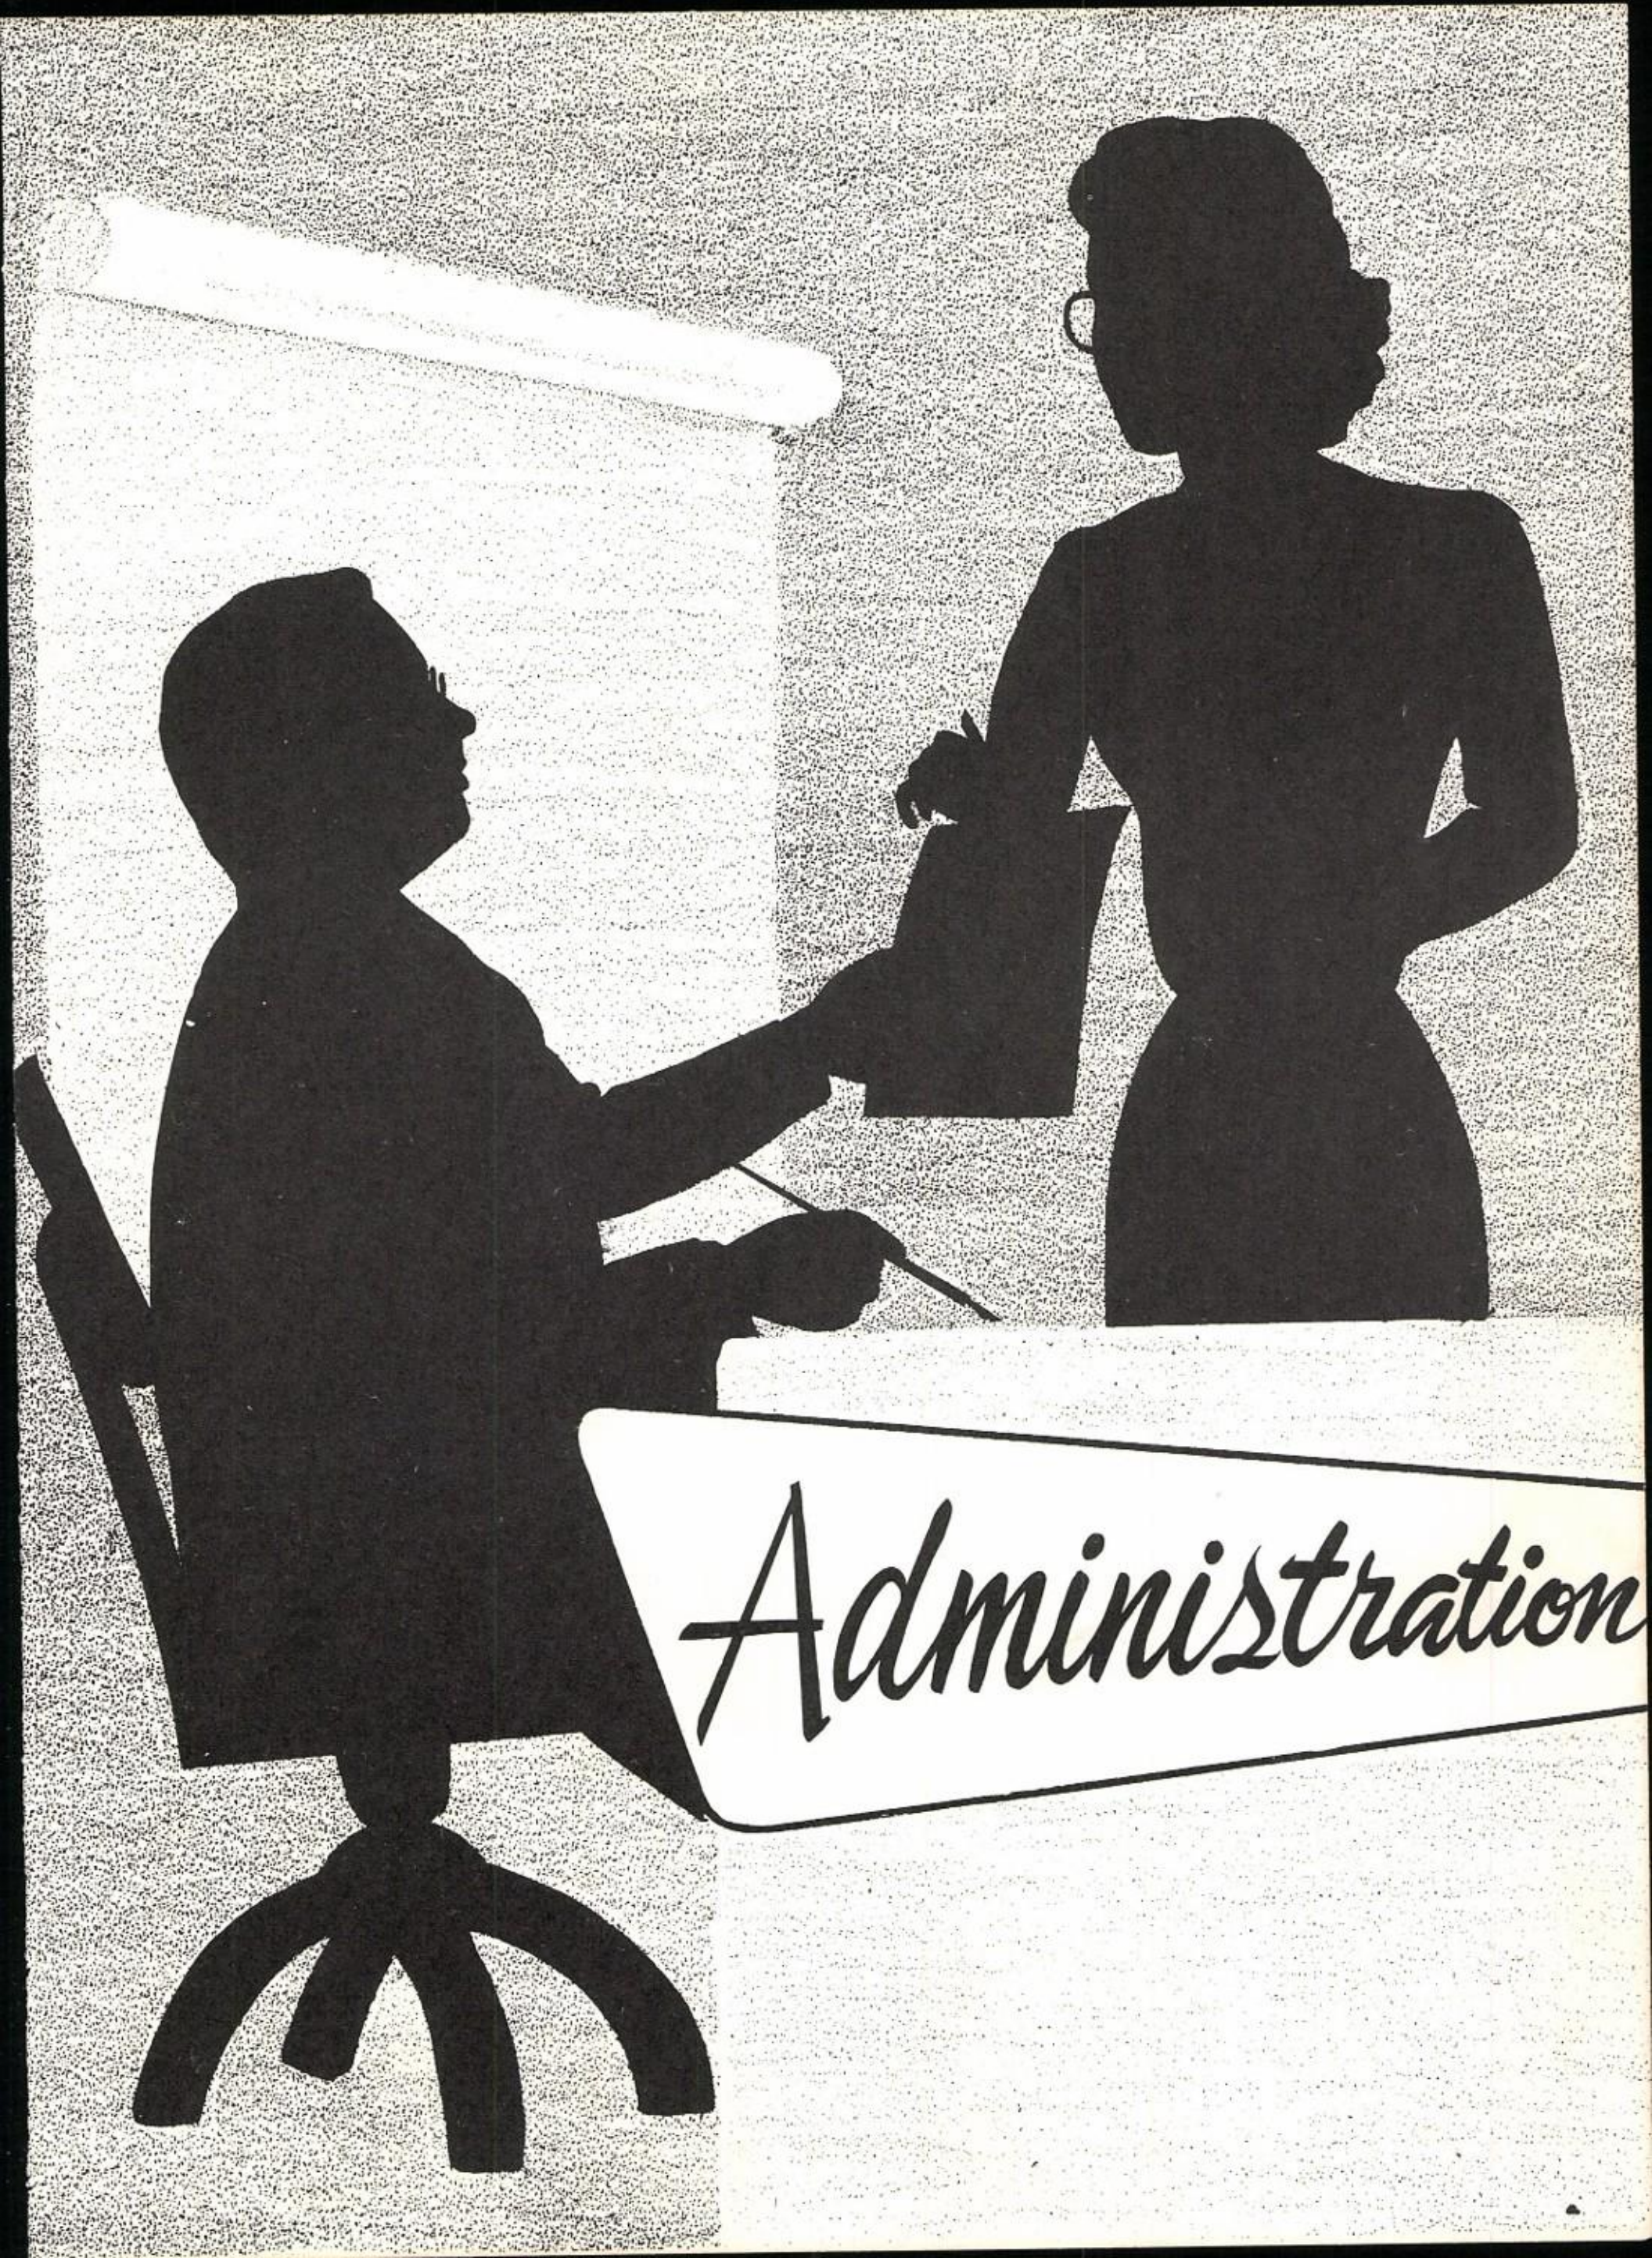

As you turn through the pages of the 1957 Bulldog, we hope that it will remind you of the happy days, good friends, and pleasant hours spent in the Bailey Public Schools.

sincere thanks and appreciation.

The Annual Staff

I have edited the '57 Bulldog for one purpose, to recall the happiest moments, days, and events of this school year for every student of the Bailey Public School.

It has been a wonderful experience planning and working to make this annual a success. I will always remember the past with pleasure, but I look to the future hoping that the '57 Bulldog will become one of your priceless treasures.

If it does, my work will be a success.

The Editor,

Joe Bolin
